

Partnership offer : Italian LAGs are looking for European partners...

Name of the LAG: LAG Ternano

**Theme of cooperation : Landscape en environment for a new
development**

Title of the project : European Landscapes and environment

Description : The themes of landscape and environment offer new opportunities to both farmers and other entrepreneurs, especially to the ones involved in tourism and environmental activities.

The objective of the project is to develop measures through which the various actors involved in the enhancement of the landscape can compare and exchange experiences, involving local people in new ways of sustainable development.

It is expected to build and promote actions that could enhance the territory, the landscape and its productions at regional, national and European level.

The action includes:

- Preliminary discussions, advocacy, seminars, conferences, workshops among the various stakeholders involved in the cooperation project;
- Development of projects aimed at identifying the opportunities offered by conservation of the environment and landscape;
- Exchange of experience through meetings, seminars, training camps specially geared to young people.

Will be realized publications and multimedia products. The promotion activities will be undertaken through implementation of a promotional campaign and participation in trade fairs at national and / or international level. This action works in synergy with the measures d) 1 and) 2 of LAG Ternano Local Plan.
